Week ending 01/27/2017

HEADMASTER HIGHLIGHTS! ▸▸▸

SPCS Families,

The school year is flying by! It's hard to believe that there are only 4 months remaining.

We are so proud of the accomplishments of our student's this school year. Last weekend our girls competed in the 16th annual Saints Classic basketball tournament. I am so proud of the way they never gave up and how they demonstrated excellent sportsmanship throughout the two day event. Excellent job this year Lady Saints! Thank you to all who came and supported our girls and a special thank you to our boosters and volunteers. Our boys' basketball team will be host the tournament this weekend. Come out and support your Saints!

Enrollment is going well and spots are filling up. Please don't forget to take advantage of early enrollment. SPCS will be opening up enrollment to the general public February 3rd. Please feel free to contact Marjie Owens, our Admissions Director, at 522-3000, ext. 2103, if you have any questions concerning the Family Referral Program or re-enrollment for 2016-17. "…the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus" (Phil. 4:7).

Have a blessed weekend!

Bobby Hunter

Enrollment opens to new families on February 3rd.

SPIRIT WEEK WAS SO MUCH FUN! ▸▸▸

SPCS students and staff put their school spirit on display this week and everyone had a great time. Everyone got creative with this year's dress up days and the participation in our spirit chain challenge generated some real competition. The highlight of the week was the pep rally in recognition of our junior varsity boy's basketball team, bowling teams, and varsity girl's and boy's basketball teams. The spirit shown by our band and everyone in attendance made for a fun time. Our student government did a great job of coordinating the whole week and we are grateful for all of their efforts!
