Headmaster Highlights

SPCS Families,

Welcome back! I hope everyone enjoyed Spring Break. It's always nice to get some time away with family.

This week ended with 2 exceptional performances of "Willy Wonka" by our SPCS Musical Theater students. I was proud to watch these young people as they continue to use their God-given talents. Both Thursday and Friday night performances were outstanding! Thank you to all involved in helping make these two nights so memorable! A special thank you to Mrs. McFarland and Mrs. Holloway for leading this group of very special students. Your time and efforts are truly appreciated.

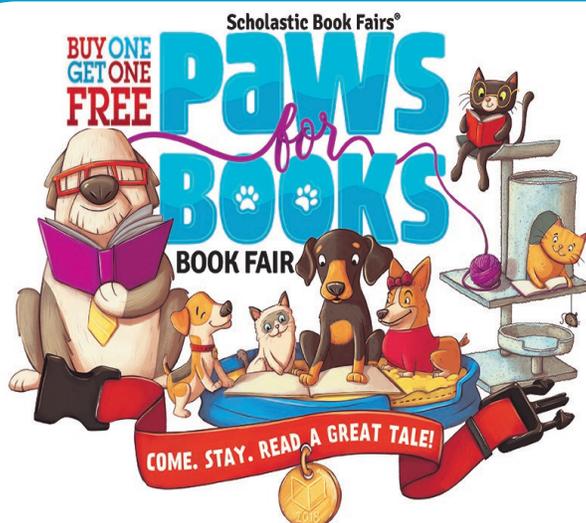

The 3rd grade students of SPCS had the privilege of visiting Kennedy Space Center this week. It is a trip that our 3rd graders look forward to every year and I'm sure that they all had a great time learning and exploring the center. Watch for pictures of this trip in next week's SPOTLIGHT.

Lastly, next week marks our annual SAT testing. To help ensure the best results, please make sure your student is getting proper rest and eating a healthy breakfast.

"Now therefore, our God, we thank you, and praise your glorious name" (1 Chr. 29:13).

Have a blessed weekend!

Willy Wonka Jr. Was Wonderful

Congratulations to everyone that took part in this wonderful production! The SOLD OUT crowd was not disappointed and everyone was definitely entertained. The hard work put in to rehearsal, set design, and production was obvious and appreciated.

"What a tremendous show!!!! I could not have been prouder of everyone. The production level was just amazing. We are avid Musical Theater geeks (I proudly say) and this was just so, so good. Kudos to everyone as I could tell the amount of time that went in to this show must have been exhausting but the pay off was great!"
~ Thursday Night Attendee

The experiences they have and continue to receive at St. Petersburg Christian is just a true blessing. To see a production like you all put up was just jaw dropping. I could not believe the sets, costumes, lighting, sound, and of course all the performances.....Wow. Simply wow.
