HEADMASTER HIGHLIGHTS

Week ending 1/9/2020

SPCS Families,

Welcome back! It has been a short, but busy, week at SPCS. Cooler temperatures have arrived. Please be sure to keep an eye on weather temperatures in an effort to ensure each child is dressed comfortably.

This past week I sent out an email indicating that early enrollment was open to all of our current families. Please take advantage, as a current SPCS family, of getting first priority and a discount on registration. Once the early enrollment period is over, we will then open enrollment spots to families that are currently waiting. Please contact Mrs. Owens, our Admissions Coordinator, at owensm@stpetechristian.org if you have any questions on the enrollment process.

It is great to be back and in the swing of things. Have a wonderful weekend and we will see you next week!

“Give praise to the Lord, proclaim his name; make known among the nations what he has done.”

3rd Grade Celebrates Success!

Our 3rd graders have worked hard to enhance their reading and math skills using eSpark and our student laptops! They have done a great job and many were rewarded with an ice cream party to celebrate everyone at 100% fluency in their 0-10 multiplication facts! Way to go 3rd Grade!

Making A Difference

These faithful volunteers prepare popcorn each month for the 3rd Grade Popcorn Company.

We are grateful for their help!

January SPCS Family Focus

Each month for 2020 (January – May), SPCS will be focusing on a specific theme. Our goal is to foster a more creative and positive environment by helping students understand the traits and characteristics that make others unique. Since January is National Mentoring Month, we will focus on overcoming obstacles and how we can help others. Students will learn how they can actively engage in practicing the value of forgiveness, perseverance, hope, and peace in our school, community and world. We will integrate this theme throughout our school campus.
