◀◀◀ WHAT'S AHEAD!

HEADMASTER HIGHLIGHTS! ▶▶▶

SPCS Families,

May is here and that means the final month of school. Tonight is our annual Varsity Sports Banquet, hosted by our Booster Club. I am very grateful for the hard work and dedication of this special group of parents. We could not offer such an excellent athletic program without them!

“As each has received a gift, use it to serve one another, as good stewards of God's varied grace.” 1 Peter 4:10

In Him,
Bobby Hunter

Our 3rd graders took their annual trip to Kennedy Space Center at the end of last week. The students and their families explored the Saturn V museum, saw the Atlantis shuttle, watched Imax space movies, toured the rocket garden, and attended a hands-on class.

During the class, they were able to climb into an astronaut sleeping bag, handle space food, try to build with Lego blocks while wearing an astronaut's gloves, and watch exciting experiments.

Thank you to all of the families that joined us on this trip!

◀◀◀ THE FORCE CAME OUT STRONG FOR JULIAN! ▶▶▶

Our “May the 4th Be With You” Dress Down Day was a hit with many dressing in Star Wars attire and lots of help for our own 8th grader, Julian F.

With the help of our SPCS families, over \$850 was raised to assist Julian and his family in making his day to day life a little easier!

THANK YOU SPCS JEDIS!

BOX TOPS BENEFIT OUR STUDENTS! ▶▶▶

So far this school year, we collected enough Box-Tops to receive over \$1400 to improve our Media Center and WSPC Morning News lab. We were able to purchase new equipment, books, and various technology items. Please keep cutting those Box-Tops and send them in throughout the school year.
