## HEADMASTER HIGHLIGHTS! ▶▶▶

SPCS Families,

We had another great week at SPCS! Thank you to all our food vendors, guest speakers, and volunteers for helping make SPCS Cultural Diversity Week an outstanding success. Additionally, thank you to Mrs. Kraus for all the hard work she put in to ensure this was a special week for all. The energy on our campus was a great thing to witness. Students, thank you for embracing the opportunity to learn more about each other.

Next week marks a 4 day week for students as they have February 17th off. Also, good luck to all of our Spelling Bee participants that will be competing in the ACSI Spelling Bee next Thursday. I am confident that each of you will do well and represent SPCS with great character.

Let all that you do be done in love (1 Cor 16:14).

In Him,

Bobby Hunter

**◀◀◀ 4TH GRADE LEARNS ALL ABOUT SOUTH KOREA!**

Mrs. Drof recently traveled to South Korea to celebrate the marriage of her son. She brought lots of information back with her and met with 4th grade this week to tell them all about the trip. Her visit corresponded with our celebration of cultural diversity this week!

**YUM YUM....SWAMP CABBAGE! ▶▶▶**

Mrs. Hullett's and Mrs. Humphrey's classes got to savor some "swamp cabbage" this week. It is made from the middle of a cabbage palm tree, and one of Mrs. Humphrey's family recipes. This "swamp cabbage" was made by Mrs. Humphrey's father who personally cut down five cabbage palm trees to make this soup. Mrs. Bender's class also had some for a snack.

Let us know if you want the recipe!

# CELEBRATE DIVERSITY

Thank you students, parents, teachers, volunteers, and guest speakers for a successful, informative, and fun Cultural Diversity Week. We could not have done it without your participation and support!

## ◀◀◀ LOCAL METEOROLOGIST SHARES THE WEATHER!

Our fifth and first grade students had an opportunity to learn about the weather with Channel 10 Meteorologist Bobby Deskins. He shared up-to-date technology that helps predict weather we see in the Bay Area. Always a great speaker and supporter of SPCS, kids in both classes had a chance to ask lots of questions. Our students were even featured on the evening news!
