Headmaster Highlights

SPCS Families,

Welcome back! 2018 is here and SPCS is looking forward to a great year! I hope that everyone enjoyed Christmas Break and found time to spend with friends and family. It's hard to believe that we are into the 2nd half of the school year. I am extremely proud of the many accomplishments of our students during the 1st semester and look forward to watching them continue.

Believe it or not it is already time to start thinking about next school year. You should have received an email concerning early re-enrollment. This is only open to current SPCS families for a limited time. Make sure to read the details of that email. Please email me at hunterb@stpetechristian.org or our Registrar, Mrs. Owens, at owensm@stpetechristian.org if you did not receive the re-enrollment email or have any questions.

Enjoy the 3 day weekend as we recognize minister and great American leader, Martin Luther King, Jr. "Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that".-Martin Luther King, Jr.

God Bless,

Bobby Hunter

It's Flu Season

The Centers for Disease Control (CDC) says 2018 flu season is shaping up to be bad—potentially the worst one since 2014-2015, which was "the most severe season in recent years." Please take note of the symptoms and keep your student home if you suspect the flu is the reason.

- fever and/or chills
- cough
- sore throat
- runny and/or stuffed nose
- body aches
- headaches
- fatigue
- diarrhea and/or vomiting

Calling All Crocheters

Mrs. Hannon is looking for a volunteer or two to help with an upcoming PTF meeting where we would teach how to crochet. Mrs. Hannon will provide all of the supplies.

If you can help, please contact hannons@stpetechristian.org.

CAN YOU GUESS?

Can you guess where on campus you can find this inspiration?

If you guessed the top of our flagpole, you are right. Our wonderful, Mr. Cordone, was inspired to add the special touch over Christmas Break!

Special Concert Inspires Whole School

On Friday, SPCS hosted Tim Zimmerman & the King's Brass in our gym. The King's Brass have been performing and touring as a group for 30 years! We are so happy that our students had the opportunity to experience this amazing fun-filled performance that provided great music and an even better message!
