

Headmaster Highlights

SPCS Families,

Wow! Thank you SGA for an awesome Spirit Week at SPCS! It was great to see the students excited and participating in the dress-up days. We ended the week with our Winter Sports Pep-Rally. Again, our SGA spearheaded this event and did a wonderful job. Thank you, athletes and coaches, for continuing to represent SPCS with sportsmanship.

Last weekend marked our 17th annual Lady Saints Basketball Classic. Our team ended a successful season and we are very proud of their accomplishments. The SPCS Boys' varsity team will have their tournament this weekend. Feel free to stop in and catch a game the schedule is included in this SPOTLIGHT.

A special congratulations to our JV Basketball team on an UNDEFEATED season. Great job boys, Coach Barfield and Coach Morten!

Cooler temperatures continue and students are bundling up. Please be sure to keep an eye on weather temperatures in an effort to ensure each child is dressed comfortably.

Commit to the Lord whatever you do, and he will establish your plans (Pro. 16:3).

Have a great weekend!

Bobby Hunter

SPIRIT WEEK

RECAP

Calling All Crocheters

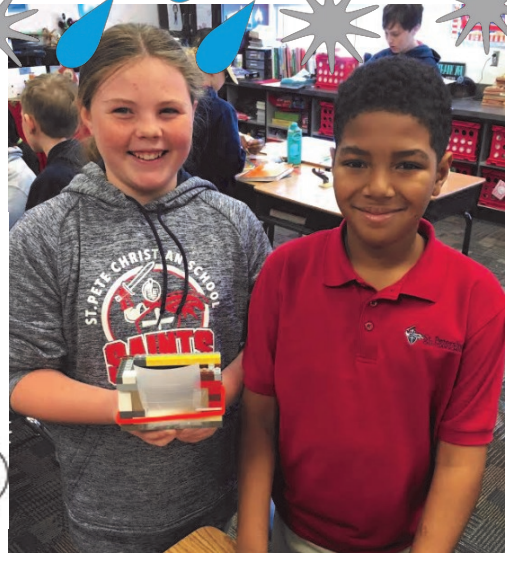

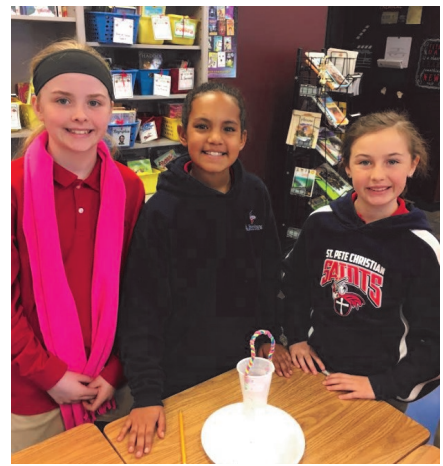

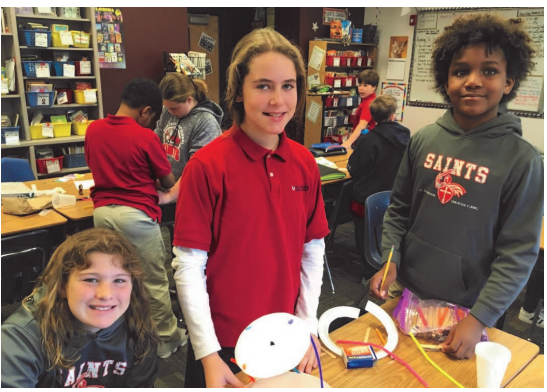

Mrs. Hannon is looking for a volunteer or two to help with an upcoming PTF meeting where we would teach how to crochet. Mrs. Hannon will provide all of the supplies.

If you can help, please contact hannons@stpetechristian.org.

5th Grade STEM Inventions

Fifth graders worked on a STEM project as part of our unit on weather. Each team had to plan, design, and create their own weather instrument. Students used Legos, as well as classroom supplies, to make their inventions. There were lots of creative plans for tools that measured wind speed, air pressure, and rainfall.

Fundraiser Top Sellers Tour Amalie Arena

Congratulations to our students who sold 15 or more items in our fall fundraiser and earned a trip to Amalie Arena!! We had a great day with a behind the scenes tour of the inner workings of the arena. We learned so many fun facts about the ice, how a Zamboni works, and where the press keeps tabs of the hockey game. We were excited to see a few of the Tampa Bay Lightning hockey players practice and a sweet wave to our crowd from Vincent Lecavalier. Thank you so much for your continued support of our school!!
