HEADMASTER HIGHLIGHTS

Week ending 1/24/2020

SPCS Families,

It was a great week at SPCS! The school year is flying by and it's hard to believe that we are over 100 days into this school year. We are so proud of the accomplishments of our SPCS students!

Last weekend our Varsity Girls Basketball Team competed in the 19th annual Lady Saints Classic Basketball Tournament. I am so proud of the way they never gave up and how they demonstrated sportsmanship throughout the two day event. Thank you to all who came and supported our girls and a special thank you to our boosters and volunteers for coordinating the exciting event. This weekend the boys get their turn. Come out and catch a game and GO SAINTS!

Finally, today marked the end of our Spirit Week. Our Student Government Association did an outstanding job! They chose great dress days, entertained at the pep rally, raised money for SGA, and ran a great Upper Division Chapel. We are proud of these student leaders and ALL they did to make this past week a huge success!

"Every good and perfect gift is from above, coming down from the Father of the heavenly lights" (James 1:17).

Have a blessed weekend!

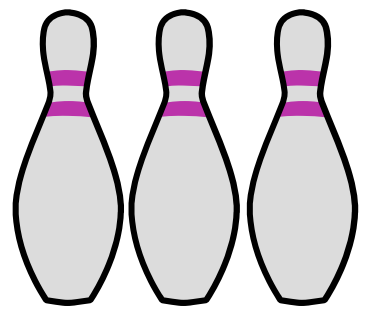

Bobby Hunter

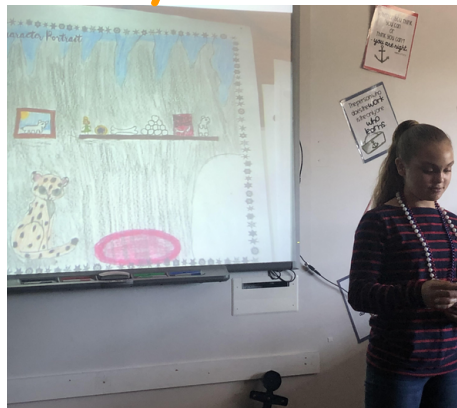

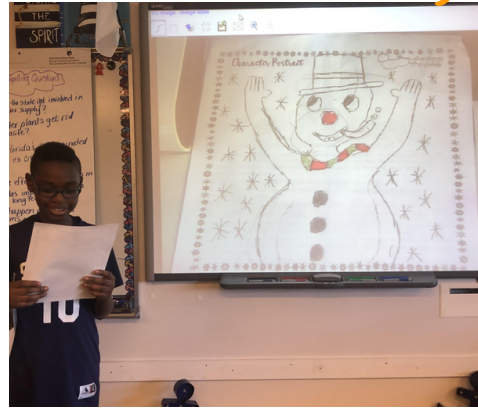

CONGRATULATIONS BOWLING TEAM

Congratulations to the members of the 2020 SPCS Bowling Team. They compete at Sunrise Lanes and invite everyone to come watch them in action!

Devin G., Chloe H., Taj H., Everett J., Marcus L., Logan P., Keith R., Brayden R., Caleb W., and Laila Y.

6th Grade English Update

Recently our 6th graders finished up their interview article project and celebrated with tasty treats and reading out loud to their peers.

WINTER DOOR DECORATIONS ❄️

As part of Spirit Week, SGA sponsored a winter theme classroom door decorating contest. We had 99% participation!! Here are just some of the creative results! Mrs. Tuten's Class was chosen for the best design!

TIMOTHY AWARD RECIPIENTS

Here are some recent recipients of our student recognition initiative - the Timothy Award. Our faculty and staff continue to nominate students that demonstrate a commitment to the needs of others. Great job students!

Timothy Award

"not let anyone look down upon you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity" (1 Timothy 4:12)

Ha-Ly W.

Ha-ly was nominated by Ms. Montgomery. She writes that Ha-ly is a model student. She is respectful and always follows directions. She always tries her very best and has a good attitude. She sets the example for other students!

Maddie M

Maddie was nominated by Mrs. Renninger and by Mr. C. Mrs. Renninger nominated Maddie because just before Christmas Break, Maddie sought out how to bless, not only one person in her class, but everyone in her class and she made Christmas ornaments. Mr. C. nominated her because she is someone who ALWAYS has a smile on her face. She radiates the joy of Christ that is within her heart and she shines for Jesus in the way she treats others. She truly is a role model for us!

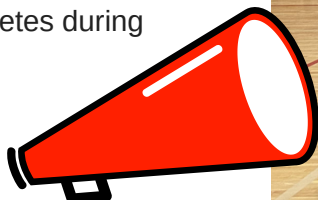

Stella S.

Stella was nominated by Mrs. Koon and Ms. Montgomery. Ms. Montgomery writes that Stella is a star student. She is respectful, a good listener, and always on task. She is sweet and kind spirited, and always putting forth her best effort. Mrs. Koon writes that one day, Stella saw one of her peers really trying to do his best at something. That night at home, she made him a certificate to encourage him. When she brought it to school, she gave it to him, and he had such a bright smile on his face! She always looks for the good in others, and leads in a Christ-like way.

Cheer Moms v. Cheerleaders

Our varsity cheerleaders celebrated the close of their season with a family celebration and a little friendly competition with their moms.

Thank you for all of the support that you showed our athletes during basketball season!

Junior Varsity Boy's Basketball

TUE → SPORTS DAY

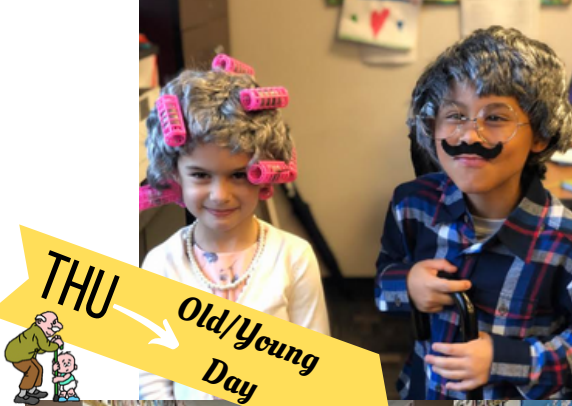

CLASS COLOR Day

WED

SPIRIT WEEK

THU → Old/Young Day

SQUAD DAY → FRI

5th Grade STEM

Our fifth graders explored STEM design this week. Students worked in their lab groups to plan, design, and create a section of a straw maze. Once all groups completed their portion and presented their projects to the class, the STEM straw mazes were placed together while each whole class design was tested using a Hex bug. Saints scholars at work!

UPCOMING EVENTS

Monday 1/27/20
