THE SPOTLIGHT

OFFICIAL NEWSLETTER OF ST. PETERSBURG CHRISTIAN SCHOOL

HEADMASTER HIGHLIGHTS

SPCS Families,

Our first nine weeks have concluded! Thank you all for making this first quarter such a great success. Our students are learning, growing, and giving their best. They are to be commended on for their great efforts over these 9 weeks. With the first quarter coming to a close, let's encourage our students to continue giving their best as unto the Lord. His word states "Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ" (Col 3:23-24).

Finally, as we look over this past week, please continue to pray for those that were directly impacted by Hurricane Michael. There are many that are without homes and have lost much. They need and deserve our prayers. As for us, we have much to be thankful for. I hope that each of you enjoy the long weekend!

Please remember that there is no school for students on Monday, October 15.

In Him,

Bobby Hunter

Week ending10/12/18

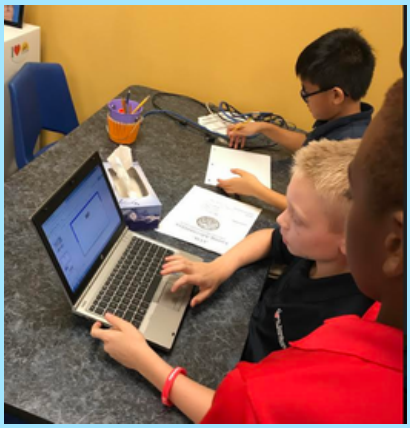
V Volleyball v. Shorecrest 4:00
JV Volleyball @ PAMS 4:30
Soccer v. PAMS 4:30

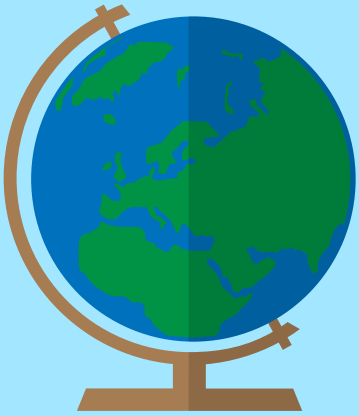
1st Grade Spreads God's Love

Mrs.Daugherty's class prepared goody bags for Mrs. Daugherty to take with her to her Grief Retreat this past weekend. Each bag included snacks, a devotional book and a special handwritten and colored card made for the participants from the students with Bible verses and words of encouragement written on them. What a great way to share God's Love!

Ready To See The World

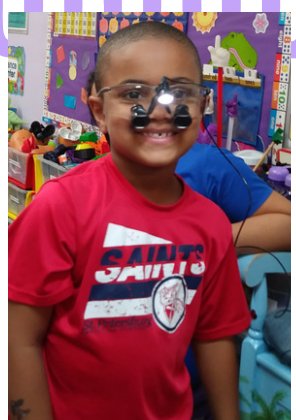
Upper Division students in Mrs. Tomlin's Around The World elective class are deep into planning their trips. In the class, students collaborate to design an unforgettable trip to somewhere new. They plan everything from lodging and food, to excursions and costs.





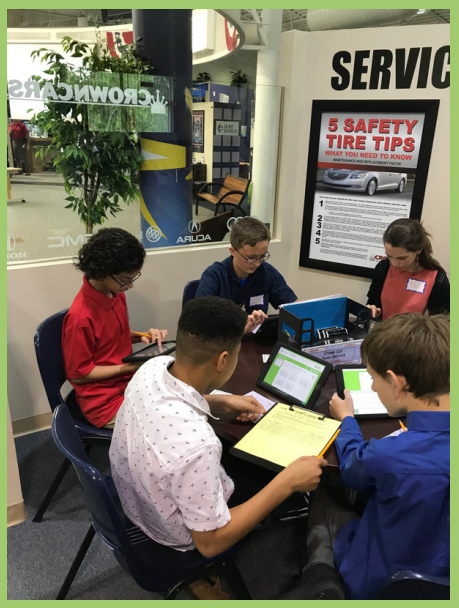
Community Helpers Visit Kindergarten

Miss Dorsett's class is learning about community helpers in Social Studies and was visited on Friday by 2 dental hygienists. They spoke of the importance of good dental care and also let the kids try out some of their equipment!



8th Grade Visits Finance Park

Our 8th graders recently visited Finance Park, a reality based, hands-on simulation that enables them to build foundations for making intelligent lifelong personal finance decisions. The visit was the culmination of a six week, integrated classroom unit to study different financial decisions to be made, consider the options available to them and actually construct a personal budget.



Archery Elective Is A Bullseye

The Upper Division Archery elective is a favorite and the students are getting better with each passing week.

Mystery Readers Needed

Mrs. Hunter is looking for "MYSTERY READERS" to read to the Kindergartners on Wednesday from 12-2:00 once a month. Contact her if you are interested!

We Love You Mrs. Rowley

After 12 years of dedication and love to the students and families of SPCS, Mrs. Rowley is moving on to new adventures.

We send with her all of our appreciation and love and we know that she will be making people smile wherever she goes!
