

# THE SPOTLIGHT

OFFICIAL NEWSLETTER OF ST. PETERSBURG CHRISTIAN SCHOOL

## HEADMASTER HIGHLIGHTS

SPCS Families,

According to the calendar summer has officially ended, however, you would never know it here in St. Pete. I hope that everyone had a great week! I'm sure each of you are looking forward to a well deserved and restful weekend.

Thank you parents for taking the time to meet with our teachers this past Monday for parent/teacher conferences. SPCS looks forward to continuing to work together. Your children are a blessing and we know that partnering with parents is key in helping every student reach their goals.

This past Wednesday morning we had the opportunity to pray for our country as we gathered before school at "See You At The Pole". Thank you to all that came out and started their day in prayer for our school, city and country. "The Lord is near to all who call on him, to all who call on him in truth." (Ps.145:18).

Have a blessed weekend!

Bobby Hunter

Week ending 9/28/2018

### NEXT WEEK

#### Monday

Soccer v. Clearwater Acad. 4:30

#### Tuesday

Picture Retake Day

JV Volleyball v. Our Savior 4:00

Soccer @ Grace Lutheran 4:00

PTF Family Night @ Chuck E Cheese 4-7

#### Wednesday

Golf @ Twin Brooks 4:30

#### Thursday

Grade 6 @ Ropes Course

V Volleyball @ LCC 4:00

#### Friday

Grade 6 @ Ropes Course

V Volleyball @ Keswick Tournament

# 5th Grade Visits JA BizTown

Our fifth grade students visited Junior Achievement BizTown this week. The indoor center contains a mini city sponsored by public and private businesses. Before visiting, students completed a pre-visit curriculum program to learn basic economic principles such as how to manage their personal bank account. They also participated in job interviews, learn about their new workplace and the job they will perform. Jobs ranged from retail sales professionals all the way to mayor! The students did a great job and we appreciate the parents that joined us to help as well!

# Lots of Praise For Our Kindergarteners

Although they have only been in school for 36 days, our Kindergarten students are impressing their teachers with what they are learning and have learned so far - all letter and sound recognition, addition, time on the hour, coins, reading their 100 words and in ABEKA books, spelling, phonics charts, proper handwriting, science experiments, and just following the rules and routines. Their teachers are VERY PROUD of them!

## 8th Grade Prepares For Finance Park

The 8th Graders are preparing for their big day at Finance Park. They are simulating the experience they will have that day by collaboratively developing a typical monthly budget. Hopefully it balances and they will have a little money left over at the end of the month. Lots of decisions! Good luck 8th Graders!

## 4th Grade Enrichment Math Goes Metric

This week a liquid capacity activity helped students become familiar with metric units of capacity (liters and milliliters). Students worked in small groups to create recipes for fruit punch measuring out the ingredients they selected.

After tasting their combination of real fruit juices, students had to create a name for their drink. They sampled each drink and voted on the best tasting - Double Tuiti Fruity!

# SPORTS UPDATE

Volleyball ~ Soccer ~ Golf

SOCCKER remains undefeated topping LCC 7-1 on Thursday. Goals came from Owen N., Logan N. (2), Blake W., Bryce M., and Lauren H. (2) Great job!

VARSITY VOLLEYBALL defeated Keswick on Tuesday, but were topped by LCC on Thursday for their first loss. The girls played a great game and hope to shine at this weekend's Keswick Tournament!

JUNIOR VARSITY VOLLEYBALL played great again this week, but were defeated by Keswick and St. John in some hard fought games. The girls remain upbeat and confident!

GOLF took first place for the third week in a row, finishing 2 strokes over Thurgood Marshall. Patrick B. played an especially great round! Their next match is at Twin Brooks on Wednesday.
